

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with successfully designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to providing top quality and new design concepts in order to meet the diverse needs of their clients.

TREK Cleaning Machines continually offers fresh design ideas as shown in their product development. They like offering items that energize both their dealers and their partners and provide production gains to their customers.

The team at TREK likes handling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' needs and skills together with their comprehension of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains.

When required, the workers within TREK and its many dealer members in both parts and in technical support will be obtainable. One of their core values is their high service dedication in their customer service. Keeping their clients' cleaning machinery ready and working everyday is top priority. The company's top of the line technology delivers dependable machinery which eventually lowers your cleaning cost. The product, the price and the service all work together to make them an industry leader.
