

Lull Telehandler Part

Lull Telehandler Parts - Telehandlers by Lull have been providing load placement accuracy since 1959. The Lull telehandler can really help make the job faster and easier, whether the job requires landing loads on scaffoldings, transferring loads or positioning heavy steel. These units are complete together with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull could supply eighty inches of boom travel for precision placement capabilities. There are even many optional Lull accessories for their telehandlers to be able to help do any work.
