

American Lincoln Part

American Lincoln Parts - Currently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the industry they are recognized in the industry as providing durable and strong machines which satisfies the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nationwide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their production facilities in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to provide machines, parts and warranty service for these kinds of scrubbers that have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers such as Wal-Mart and Target. The 7765 line has earned the respect of many facility supervisors where results and efficiency count. Lately, this floor scrubber model has been used by the architects in new construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on location due to the model's utmost performance level and high standard of quality for polishing concrete.
